To Whom It May Concern:

“Golden Rule Signs” have been an amazing support team for our school over the past eight years. Since the day we purchased the LED sign and even currently they have continuously supported our school by providing excellent customer service as well as continuously checking in with our school to see if we need any assistance.

Mr. Logan Baker is extremely helpful and knowledgeable. He genuinely cares about our sign and our school. HK8 loves our LED sign as does the community and we will continue to use “Golden Rule Signs” for all of our advertising needs.

With Hotchkiss Pride Always,

A handwritten signature in black ink that reads "Carrie Yantzer". The signature is written in a cursive, flowing style.
