

LASSEN HIGH SCHOOL

1110 Main Street
Susanville, CA 96130

May 16, 2014

Lassen High School in Susanville California is in a small rural area. We had been researching upgrading our marquee for years but the price was never right. After nearly two years of student research we found Golden Rule Signs. Golden Rule worked extremely well with my students who did most of the hard work and they made the process as a whole enjoyable. Everyone at school and around town is excited at the fresh new look at Lassen!

Grizzlies love Golden Rule Signs!!

Andrew Fisher

ASB Director- Lassen High School
