RE: Reference for Golden Rule Signs

To Whom It May Concern:

Golden Rule Signs has been a vendor for the Mountain View School District since 2015. As the Assistant Superintendent of Administrative Services, I oversee all facility improvements throughout the District. During the past four years I have had the opportunity to work with Golden Rule Signs and on four separate marquee projects.

My interactions with the staff at GRS have been outstanding. From the early planning stages, to design, to buildout and installation, I have found that the customer service provided by GRS to be excellent. There is always a high level of communication and a proactive approach to addressing any issues that may arise during the process.

Golden Rules Signs has demonstrated, through each project, a commitment to producing a quality product and ensuring a high level of customer satisfaction. Each of our projects posed their own unique issues. GRS was always ready and willing to do what was needed to ensure that we received the best product possible to meet our needs. Their constant attention to detail on each project was greatly appreciated.

I would highly recommend Golden Rule Signs for any marquee display needs that you may have. Should you have any further questions, please feel free to contact me at (909) 947-2205 or via email at jeremy_currier@mvsdk8.org.
