To Whom It May Concern,

The sign we purchased from your company has been an excellent addition to our school and our community. The sign is used for the city of South Pittsburg and our sports teams. We now have the only time and temperature display in town.

Dealing with Logan Baker and the Golden Rule staff with a pleasure, they answered every question and guided us through the entire process. I would highly recommend Golden Rule Sign Company to school, church, or civic group.

Thank you,

Allen Pratt
