

GRS provides everything you need to present your new sign idea to a group or the district including...

- Artistic renderings with school logo/colors.
- Size Options based on location and needs.
- Turnkey Price Quotes.

GRS is a factory direct turnkey operation, what does this mean for you?

We eliminate the majority of the time and headache that usually comes with a purchase/project like this.

We are able to do this by...

- GRS works directly with district officials.
- Permitting is included in our scope of work.
- We work directly with local installation crews, no need for you to deal with subcontractors!
- GRS is factory direct meaning we are typically 10% - 15% less than other sign companies.
- Apples to Apples; Best Price Guarantee! Find a lower price and we will beat it!
